The Site cannot and does not contain medical/health advice. The medical/health information is provided for general information and educational purposes only and is not a substitute for professional advice. Accordingly, before taking any actions based upon such information, we encourage you to consult with the appropriate professionals. We do not provide any kind of medical/health advice. THE USE OR RELIANCE OF ANY INFORMATION CONTAINED ON THE SITE IS SOLELY AT YOUR OWN RISK.

We are pleased to participate in social media outlets such as Facebook, Instagram, TikTok, Pinterest, YouTube, Google+, etc. Through these venues, we share pictures, testimonials, videos, interviews and other fun and helpful information that may be of benefit to our members. With the expressed permission of our members, we are pleased to share posts of their success stories and life change. By choosing to be a member of one of our groups, you give consent to allow us to share anything you post of your own free will and to share your testimonial of you/your child on any of our social media platforms or for promotional purposes.

The Site may contain testimonials by users of our products and/or services. These testimonials reflect the real-life experiences and opinions of such users. However, the experiences are personal to those particular users, and may not necessarily be representative of all users of our products and/or services. We do not claim, and you should not assume, that all users will have the same experiences. YOUR INDIVIDUAL RESULTS MAY VARY.

The testimonials on the Site are submitted in various forms such as text, audio and or/video, and are reviewed by us before being posted. They appear on the Site verbatim as given by the users, except for the correction of grammar or typing errors. Some testimonials may have been shortened for the sake of brevity where the full testimonial contained extraneous information not relevant to the general public.

The views and opinions contained in the testimonials belong solely to the individual user and do not reflect our views and opinions. We are not affiliated with users who provide testimonials, and users are not paid or otherwise compensated for their testimonials.

The testimonials on the Site are not intended, nor should they be construed, as claims that our products and/or services can be used to diagnose, treat, mitigate, cure, prevent, or otherwise be used for any disease or medical condition. No testimonials have been clinically proven or evaluated.
